## Lorik

(Dir. Alexey Zlobin, 2018, Armenian w/English subtitles, 95 mins)

This zany and surreal comedy drama, written by and starring Michael Poghosian, tells the story of a lonely self-absorbed theatre actor who finds himself magically plunged into the realities of people afflicted by social injustice. As he is forced to literally live outside of himself, Lorik learns important lessons about life, love, and empathy.

**ACOM events continue during the pandemic!**
