## *My Big Armenian Wedding (part I)*

(2004, Dir. Rodion Nahapetov, 110 mins, Armenian & Russian w/English subtitles)

Home of Nairy Digris & Terry McGibbon  
1703 Skillman Ave W, Roseville, MN 55113

Hilarious Russian TV comedy:

Tigran, a popular plastic surgeon in Moscow with roots in Armenia, and Lena, a well-educated and beautiful Russian woman, are in love. Families on both sides are mostly against the prospect of a "mixed marriage" and therefore devise various schemes to derail the impending engagement. Absurd and delightful situations develop.

This is a 4-part series. We'll watch the first two episodes, and if everyone appreciates this as much as Russian and Armenian TV viewers did, we'll watch the last two episodes next month.
